Mr Horan,

I am again requesting the following information.

1. Groundwater Monitoring Data in plottable .xls form for all operational site monitors from Jan 1 to Dec 31, 2025 or or other convenient recent 12 month time period that includes all wells.
2. All Stream flow quantity and quality monitoring data as collected after August 2024 including continuous data at Strada installed gauges on the Pine River and elsewhere.
3. Groundwater Quality Monitoring Results for all Pit Site Monitors from Sept 2024 to Date.
4. Private monitoring well (DW1 to DW5 incl) quantity and quality updates for 2024/ 2025.
5. Community WellNESS Survey results as completed to date.
6. MECP Annual Pit Compliance Report for Year 2024.

If Strada prefers, we can request this information through the Ministries.

Thank you in advance for your cooperation.

--

Yours truly,

Garry T. Hunter M.A.Sc. P.Eng.
