Re: Dibblee Osgoode Quarry Site

Dear Sir:

As you are aware, the necessary licenses and permits required for the opening of the above mentioned quarry having been issued, the operation and management of the site will now be the responsibility of our National Capital Region executive vice-president, Raymond Collette.

Consequently, all future correspondence and communication regarding the subject quarry should be addressed directly to him at Constructions Deschenes Quebec Ltee, 636 Klock Road, P.O. Box 40, Aylmer, QC J9H 5E4. No further studies or reports shall be initiated without his prior approval.

On behalf of our company, I would like to thank you for your hard work and leadership during this long process, without which we would not have been successful.

Yours truly,

F.G. Jewiss
Vice-Chairman
